**Subpart I—2005 Catfish Grant Program**

**§ 1416.800 General.**

(a) CCC will administer a limited program to provide assistance to catfish producers in eligible counties. Under the Catfish Grant Program, CCC will provide grants to the State governments of States where eligible counties are located. The amount of each grant will be based on the total value of the catfish feed loss suffered in every eligible county in the subject state as determined by CCC. Available grant funds under this subpart and funds under subpart B of this part will be uniformly prorated to ensure that available funding is not exceeded. Catfish producers in eligible counties who suffered at least a 30-day catfish feed loss may be eligible for these funds. Among other conditions of these grants, assistance provided by a State under such a grant to an applicant shall not exceed \$80,000, except for general partnerships and joint ventures, in which case assistance shall not exceed \$80,000 times the number of members that constitute the general partnership or joint venture.

(b) No producer may receive duplicate payments under this subpart and any other Federal programs for the same loss.
